4. The terms of office shall begin with the appointment of the first board and ending on May 31, 2011 and thereafter be three years. Members and alternates shall continue serving through May 31 of the respective third year or until the Department appoints replacements. There are no term limits.

Section A. BOARD RECOMMENDATIONS OF BUDGETS AND RATES OF ASSESSMENT

The Board, not later than July 1 of each year, shall recommend to the Department a budget or budgets of estimated expenditures and reserves for the administration and enforcement of this Program and to carry out authorized activities based on the best production estimates available at the time. The Board shall also recommend a rate or rates of assessment calculated to provide adequate funds to defray the proposed expenditures and reserves as set in said budget or budgets. The annual assessment shall not exceed one and one-half cent per pound of assessable weight of pistachios. The Board may recommend revision of the assessment rate prior to October 15 of each year if it determines, based on information including crop volume, that the action is necessary, and if the revision does not exceed the assessment limitations specified in this section and the modification is made prior to the date established by the Board for payment of the assessment. The assessment does not apply to pistachios produced only for the producer’s home use or where the pistachios are used only for ornamental purposes provided, that such producer shall file an affidavit with the Board establishing that these pistachios are not produced for commercial purposes. In any event, no production of pistachios in excess of 1,000 pounds of assessable weight of pistachios per year is exempt from the assessment under this article. (amended 6/1/2017)

Such records shall be in simple form and contain such information as the Board shall prescribe. Such records shall be preserved by the processor for a period of three years beyond the year of applicability and shall be offered and submitted for inspection at any reasonable time upon written demand of the Department or its duly authorized agent.

2. The processor or first handler of pistachios being assessed shall deduct the assessment from amounts paid by him or her to the producer or shall collect the assessment from the producer, and shall be a trustee of the funds until they are paid to the Board at the time and in the manner prescribed by the Board.

3. Every processor shall be personally liable for the payment of collected assessments, and failure of the processor to collect the assessment from any producer shall not exempt the processor from such liability.

4. Any assessment which is levied as provided in this article is a personal debt of every producer so assessed. Failure of a processor to make payment of the collected assessment to the Board shall not relieve the producer of this obligation.

5. Assessments are payable to the Board by December 15 of each fiscal year. Any producer or processor who fails to file reports required by the Board or pay any assessment by the date stipulated shall be subject to penalties and interest as provided in the Act.
